## WE HAVE A WINNER!

... our newsletter now has a name:

**- *Journeys* -**

"*Journeys*" is, of course, the perfect title, begging the question, "Why didn't we think of that?" But synchronistically and delightfully, "*Journeys*" was submitted by Robert E. Monroe, author and nephew of Robert A. Monroe. Congratulations and deep thanks to you, Robert!

In the video, Robert poignantly shares impressions and moments from his boyhood years with Bob. Filmed during the 2013 Professional Seminar at TMI.
